ADHD Budget Planner

Your 100% offline, zero-subscription, low-stimulation money planner.

OFFICIAL APP ACCESS LINK:

https://rehanlabs.github.io/ADHD-Budget-Planner-2/

📱 1. Add to Home Screen

Open link in Safari (iOS) or Chrome (Android). Tap Share or Menu → **Add to Home Screen** for a full-screen, 100% offline app experience.

✨ 2. Safe to Spend Today

One clear number. Check it before discretionary spending. Upcoming rent and bills are already protected automatically.

⏳ 3. 48-Hour Impulse Vault

Got an intense shopping urge? Park it in the vault. If you still want it in 48 hours, buy it guilt-free. 82% of impulses fade.

🧟 4. Zombie Mode

Bad brain day? Tap **Zombie Mode** in the top bar. Everything disappears except one number: "Can I afford this right now?"
